## SIRIM 5:2023

### Foreword

This SIRIM Standard was developed by the Project Committee on Green 5S System established by SIRIM Berhad.

This standard was developed with the following objectives:

- a) to specify the requirements for implementation of Green 5S by organisations;
- b) to provide understanding on the concepts and principles of Green 5S system; and
- c) to cultivate the implementation of Green 5S in the organisation towards Green 5S recognition scheme.

Major modifications in this revision are as follows:

- a) addition of a new definitions on 3R and sustainability;
- b) addition of a new requirement on Green 5S policy in subclause 3.2;
- c) amendment on subclause 3.3, Green 5S Committee structure, roles and responsibilities;
- d) addition of a new requirements for Green 5S Objectives in subclause 4.1;
- e) addition of a new requirement for Infrastructure in subclause 5.1.2; and
- f) amendments on Clause 6 and Annex A for improvement and clarity.

This SIRIM Standard cancels and replaces SIRIM 5:2016, *Guidelines for implementing Green 5S system*.

This standard will be reviewed periodically, and if necessary, revised, to ensure that it reflects current needs and conditions. Users and other interested parties may submit comments on the contents of this standard for consideration in future versions.

Compliance with this standard does not by itself grant immunity from legal obligations.
