
SIRIM/MOA STANDARD

SIRIM/MOA 4-10:2019

ICS: 67.260; 71.100

Herbal extracts - Specification - Part 10: Roselle (*Hibiscus sabdariffa* L.) spray dried aqueous extract

MOA

The Ministry of Agriculture and Agro-based Industry (MOA), is a ministry of the Government of Malaysia that is responsible for agriculture, agro-based industry, agritourism, livestock, veterinary services, fisheries, quarantine, inspection, agricultural research, agricultural development, agricultural marketing, pineapple industry, agribusiness, botanical garden, food security and food sovereignty.

SIRIM

SIRIM Berhad is a premier total solutions provider in quality and technology innovations that helps industries and businesses to compete better through every step of the business value chain.

SIRIM Berhad is the centre of excellence in standardisation, facilitating industries and businesses in enhancing their production and competitiveness, protecting consumers' health and safety, and giving them the choice for quality products and services.

SIRIM/MOA STANDARD

SIRIM/MOA Standard is developed according to SIRIM standardisation procedures, which are in line with international practices that ensure appropriate notification of work programmes and participation of interested parties. As a standards development organisation, SIRIM Berhad has extensive expertise in standards research and consultancy which helps industries and businesses meet local and international requirements and practices.

SIRIM/MOA Standard is developed through collaboration with SIRIM which provides requirements, specifications, guidelines or characteristics that can be used to ensure that materials, products, processes and services are fit for their purpose.

SIRIM/MOA Standard is developed through consensus by established committee, which consists of experts in the subject matter. The use of this standard is voluntary, and it is open for adoption by regulators, government agencies, associations, industries, professional bodies, etc.
